CONSUMER CONFIDENCE REPORT

Each year, the City must file a consumer confidence report with the Minnesota Department of Health showing the results of testing the City's drinking water system.

The City has completed the report and it is available on the City's website at

<https://www.cityofmontgomerymn.com/water-system/pages/consumer-confidence-reports>.

If you would like a paper copy of the report, you can request one from City Hall.

GOLF CARTS, ATV'S, AND SIDE-BY-SIDES

Golf carts, ATV's and side-by-sides are an economical and inexpensive way to get around town in the summer, and many residents have opted for this mode of transportation.

Montgomery City Code specifically allows these types of vehicles to operate on city streets as long as they are properly licensed and operated in accordance with the Code. This includes the following:

- Operator's must be **16 years** of age or older.
- Anyone **under 18** on an ATV or side-by-side **must wear an approved DOT helmet.**
- Only the number of passengers the device is designed for can be on/in the vehicle and all passengers must be on a seat designed for sitting. No standing on the back of a golf cart or carrying a child on one's lap.

There are other vehicles that are not permitted to be operated on City streets. These include, but are not limited to mini-bikes, "pocket" bikes, go-carts, home-made vehicles, dirt-bikes, lawnmowers, etc. Essentially, if the vehicle cannot be licensed by the State of Minnesota for operation on a public street, and it is not a golf cart, ATV, or Utility Task Vehicle (Side-by-side), it cannot be operated on any public street or alley.

If you need a license for your special use vehicle, you can obtain an application at City Hall or download the form from the City's website. Applications must be brought to the Montgomery Police Department or City Hall during normal business hours, along with a current copy of insurance information. **The fee for the license is \$20 and must be renewed every calendar year.**
